(B) Statement of Provision of Node Machines

We hereby guarantee that we shall provide node machines in accordance with the required Hardware Configuration for running the ICP Network, as described on the ICP wiki (see Node Provider Machine Hardware Guide: https://internetcomputer.org/wiki/node-hardware-guide/).

(C) Statement of Good Intent

We guarantee to the world that we shall honestly operate the node machines we provide, and that should we behave dishonestly, for example by deliberately interfering with our node machine(s) to prevent them correctly processing ICP protocol messages, in collusion with others or alone, that we will be liable to users of the network, and to other node providers, for any damages caused.

We further declare we are aware that any deliberate interference with a node machine, which causes it to incorrectly process ICP protocol messages, represents a misuse of that hardware, and of any hardware it interacts with, and that in some jurisdictions, that may constitute a crime.

(D) Confirmation of lawful source of funds and wealth

We, **BIGGER CAPITAL PTY. LTD.**, confirm that the capital and operational funding used in association with this node originates from lawful sources under the laws applicable in the jurisdiction where the node provider is registered and where the data center is located. We attest that we are not using the node for illicit activities, and that the ultimate beneficial ownership structure has been disclosed truthfully.
